**REPORT AND RECOMMENDATION**

Pursuant to W.D. MICH. L.CR.R. 11.1, I conducted a plea hearing in the captioned case on May 13, 2016, after receiving the written consent of defendant and all counsel. There is no written plea agreement. The plea agreement is oral. In exchange for defendant's guilty plea to Count 1 of the indictment, the Government will move to dismiss Counts 2 and 3 at sentencing. At the hearing, defendant Olusina Olufemi Olajide entered a plea of guilty to Count 1 of the Indictment charging defendant with false attestation of U.S. citizenship in a voter registration application in violation of 18 U.S.C. § 1015(f). On the basis of the record made at the hearing, I find that defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats, or promises; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

Accordingly, I recommend that defendant's plea of guilty to Count 1 of the Indictment be accepted, and that the court adjudicate defendant guilty. Acceptance of the plea, adjudication of guilt, and imposition of sentence are specifically reserved for the district judge.

Date: May 13, 2016
